

# 1-Eye Classic Cycling Event Registration Form

As this event is meant to encourage cyclists in the Schroon Lake area to get to know each other and to have a good time while riding with friends, there is no formal online registration. You can come that morning, sign a waiver, meet some other happy cyclists, grab a map and go (but don't forget to come back in time for the picnic to relax, take a chance on the raffle and listen to really good music!)

It'd be great, however, to get a head count if you plan on coming - so send in this form if you can (You can even send in the form and pay the day of the event - how easy is that?)
